OK to Enter

Dear Sir:

In accordance with the provisions of 37 C.F.R. § 1.312, Applicants respectfully request entry of the following amendments.

IN THE SPECIFICATION

Please rewrite paragraphs [0015] and [0023] as follows:

C1 [0015] FIGS. 2A and 2B form [illustrates] a schematic diagram of a programming circuit with a plurality of programmable elements in accordance with another exemplary embodiment of the invention;

C2 [0023] Referring to FIGS. 2A and 2B, a plurality of anti-fuse programming circuits 12 (FIG. 1) may be coupled together in a parallel anti-fuse programming circuit
